86th Engineer Detachment (8 March 2004 to 29 January 2005)

Announcement is made of the following award:

Award: Meritorious Unit Commendation

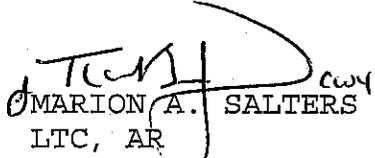

Period of service: As listed above.

Authority: AR 600-8-22, paragraph 7-15

Reason: For exceptionally meritorious service. During the period 22 February 2004 to 29 January 2005, Headquarters and Headquarters Detachment, 512th Engineer Battalion and its subordinate units displayed exceptionally meritorious service in support of Operation Iraqi Freedom. The unit provided superior engineer combat support through a multi-service engineer task force that included service members from the Army, Navy, Air Force, and Marine Corps. The unit's dedication and engineering expertise led to the overwhelmingly successful completion of tasks critical to theater operations. The unit proved itself to be one of the most highly professional, competent, resourceful, and dependable engineer battalions in the theater. Headquarters and Headquarters Detachment, 512th Engineer Battalion's outstanding performance of duty is in keeping with the finest traditions of military service and reflects distinct credit upon the unit, the Multi-National Corps-Iraq, and the United States Army.
