Announcement is made of the following award:

Award: Army Superior Unit Award  
Period of service: As listed above  
Authority: AR 600-8-22, paragraph 7-16  
Reason: For outstanding meritorious service. During the period of 2 January 2008 to 31 May 2009, the U.S. Continental United States Replacement Center and its subordinate units displayed outstanding meritorious service in support of the Global War on Terrorism. While processing over 51,000 personnel for deployment and redeployment in support of five contingency operations in 36 countries, the unit maintained outstanding support to combat commands and provided timely and innovative solutions to complex deployment and training requirements. The unit's actions set the standard and proved invaluable to executing the deployment, redeployment, individual ready reserve, and retiree recalls necessary for train-up missions. The U.S. Army Continental United States Replacement Center's outstanding performance of duty is in keeping with the finest traditions of military service and reflects distinct credit upon the unit, the 197th Infantry Brigade, and the United States Army.  
Format: 320

Additional Instructions: This order serves as official notification that a unit award has been approved for the organization(s) listed above and will serve as authority for eligible Soldiers to update their records and wear the award. The award is still subject to final confirmation in Department of the

Army General Orders. Official verification of a specific unit's entitlement to display the award in the form of an appropriate streamer on its flag or guidon rests with the U.S. Army Center of Military History (CMH), which is also responsible for determining official unit Lineage and Honors for MTOE organizations. CMH will use this permanent order to authorize the manufacture of an appropriate decoration streamer for any organization clearly entitled to display the award. The streamers will then be manufactured and sent to the U.S. Army Human Resources Command for automatic distribution to the units concerned.
