PERMANENT ORDERS 222-22

15 August 2007

1106th Aviation Classification and Repair Activity Depot

Announcement is made of the following award:

Award: Meritorious Unit Commendation

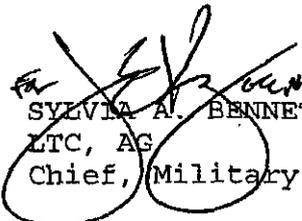

Period of service: 4 December 2004 to 30 November 2005

Authority: AR 600-8-22, paragraph 7-16

Reason: During the period 4 December 2004 to 30 November 2005, the 1106th Aviation Classification and Repair Activity Depot displayed exceptionally meritorious conduct while in support of Operations Iraqi Freedom and Enduring Freedom. The unit planned, implemented, and executed pioneering doctrinal changes for the Theater Aviation Maintenance Program in support of all aviation forces within the Central Forces Land Component Command area of responsibility. The significant accomplishments of the unit during their historic combat deployment include: the deployment of forward operating cells in Balad, Iraq, and Bagram, Afghanistan; the establishment of aviation movement control teams in Ali Al Salem, Kuwait, and Balad, Iraq; the development of standard Army retail supply system, the theater Class IX war reserve account; the creation of an Army Knowledge Online collaboration site for customers to track high priority parts; and the planning and execution of the first ever redeployment of an aviation brigade from Afghanistan to Hawaii via aerial port of debarkation to surface port of debarkation through the country of Qatar. The 1106th Aviation Classification and Repair Activity Depot's performance of duty is in keeping with the finest traditions of military service and reflects great credit upon the unit and the United States Army.
