Reason: For exceptionally meritorious service during the period 14 March 2006 to 13 March 2007. Headquarters and Headquarters Detachment, 7th Transportation Battalion and its subordinate units had a profound effect on the success of Operation Iraqi Freedom. The unit provided Convoy Escort Teams to secure convoys originating from Camp Cedar II in southern Iraq moving along main supply routes to Baghdad International Airport/Seitz, Logistical Support Area Anaconda, Taji, and Al Taqqadum in order to prevent Anti-Iraqi Forces from disrupting theater operations. The unit also provided convoy security for sustainment operations to Forward Operating Base Kalsu and any other location within the Iraq theater of operations as directed. The unit's mission success provided the United States and Coalition Forces the ability to conduct counter-insurgency operations without logistical constraints in Iraq. Headquarters and Headquarters Detachment, 7th Transportation Battalion's superior performance, commitment to leadership excellence and dedication to mission accomplishment reflects great credit upon the unit, the 13th Sustainment Command, and the United States Army.
