Announcement is made of the following award:

Award: Army Superior Unit Award

Period of service: 8 July 2006 to 7 July 2007

Authority: AR 600-8-22, paragraph 7-16

Reason: For outstanding meritorious service. During the period 8 July 2006 to 7 July 2007, Headquarters and Headquarters Company, 1st Battalion, 11th Aviation Regiment and its subordinate units displayed outstanding meritorious service in support of the United States Army Aviation Warfighting Center's flight training mission. In doing so, the Controllers of the Army's only air traffic services battalion coordinated over 1.9 million aircraft movements, with aircraft operating under all modes of flight, without an air traffic control related accident or incident. Battalion controllers amassed 105 control tower operator certifications, ground controlled approach ratings, and airspace information services ratings, while simultaneously training 61 Army National Guard Soldiers, preparing them for deployment to a combat theater. The unit also completed a record number of noncommissioned officer education systems and professional development schools to further strengthen the Army's air traffic controller noncommissioned officer corps. Additionally, the unit provided air traffic control services and navigational aids maintenance in support of the Federal Aviation Administration's National Airspace Mission for the southeastern United States. Headquarters and Headquarters Company, 1st Battalion, 11th Aviation Regiment's outstanding performance of duty is in keeping with the finest traditions of military service and reflects great credit upon the unit and the United States Army.
