Reason: For exceptionally meritorious service. During the period 13 November 2004 to 10 October 2005, Headquarters and Headquarters Company, 44th Medical Command and its subordinate units displayed exceptionally meritorious service in support of Operation Iraqi Freedom. The unit distinguished itself by providing a full range of medical services in support of Multi-National Corps-Iraq's full-spectrum counterinsurgency operations. The command's Soldiers, Sailors, and Airmen demonstrated tremendous courage, selflessness, skill, and dedication to duty by providing health service support to Coalition and Iraqi Security Forces in a complex and asymmetric operational environment, and in doing so, it assisted in the development of a democratic and sovereign Iraqi nation. The unit also fostered agile, flexible, and effective organizations that quickly adapted to a hostile combat environment, and implemented groundbreaking joint health service support systems, techniques, and procedures to deliver high-quality and responsive healthcare to Coalition Forces, the Iraqi Army, the local populace, and security internees. Headquarters and Headquarters Company, 44th Medical Command's outstanding performance of duty is in keeping with the finest traditions of military service and reflects distinct credit upon the unit, Multi-National Corps-Iraq, Multi-National Force-Iraq, and the United States Army.
