FORT KNOX, KY 40122-5408

PERMANENT ORDERS 130-10

10 May 2011

7220 Medical Support Blood Detachment

Announcement is made of the following award:

Award: Meritorious Unit Commendation

Period of service: 19 June 2010 to 9 May 2011

Authority: AR 600-8-22, paragraph 7-15

Reason: For exceptionally meritorious service. During the period 19 June 2010 to 9 May 2011, the 7220 Medical Support Blood Detachment displayed exceptionally meritorious service in support of Operation Enduring Freedom. The unit's mission execution and commitment to excellence set a new standard for theater blood support missions. The 7220 Medical Support Blood Detachment provided world class medical support to the United States Armed Forces as well as Coalition Forces and the people of Afghanistan in all of its 37 supported medical treatment facilities in the Afghanistan theater of operation. The actions of the 7220 Medical Support Blood Detachment are in keeping with the highest military traditions and reflect great credit upon its Soldiers, Task Force Medical South, Task Force 62 Medical, United States Forces-Afghanistan and the United States Army.

Format: 320

Additional Instructions: This order serves as official notification that a unit award has been approved for the organization(s) listed above and will serve as authority for eligible Soldiers to update their records and wear the award. The award is still subject to final confirmation in Department of the Army General Orders. Official verification of a specific unit's entitlement to display the award in the form of an appropriate streamer on its flag or guidon rests with the U.S. Army Center of Military History (CMH), which is also responsible for determining official unit Lineage and Honors for MTOE organizations. CMH will use this permanent order to authorize the manufacture of an appropriate decoration streamer for any organization clearly entitled to display the award. The streamers will then be manufactured and sent to the U.S. Army Human Resources Command for automatic distribution to the units concerned.
