PERMANENT ORDER 055-07

24 February 2015

United States Army Information Systems Engineering Command

Announcement is made of the following award:

Award: Army Superior Unit Award

Period of service: 1 October 2012 to 30 September 2013

Authority: AR 600-8-22, paragraph 7-16

Reason: During the period 1 October 2012 to 30 September 2013, the United States Army Information Systems Engineering Command is recognized for the outstanding support as the Defense Department's premier Information Technology engineering organization. The unit provided the finest quality systems engineering, installation, integration, implementation and evaluation support for communications and information technology systems worldwide. Their highly skilled and dedicated workforce ensured joint interoperability, technology and information dominance, readiness and effectiveness of our Armed Forces. United States Army Information Systems Engineering Command's achievements, committed workforce and exemplary performance are in keeping with the highest traditions of defense service and reflect great credit upon themselves, the Communications-Electronics Command, Army Material Command and the United States Army.

Format: 320

Additional Instructions: This order serves as official notification that a unit award has been approved for the organization(s) listed above and will serve as authority for eligible Soldiers to update their records and wear the award. The award is still subject to final confirmation in Department of the Army General Orders. Official verification of a specific unit's entitlement to display the award in the form of an appropriate streamer on its flag or guidon rests with the U.S. Army Center of Military History (CMH), which is also responsible for determining official unit Lineage and Honors for MTOE organizations. CMH will use this permanent order to authorize the manufacture of an appropriate decoration streamer for any organization clearly entitled to display the award. The streamers will then be manufactured and sent to the U.S. Army Human Resources Command for automatic distribution to the units concerned. It is not the responsibility of HRC to replace streamers that are lost or damaged. Please refer to AR 840-10 for further guidance regarding the responsibilities of the unit concerning the display, care and disposition of the streamers.
